

Are you a driven banking professional with strong commercial instincts and solid financial analysis skills? Join Banco di Caribe and play a key role in managing and growing our corporate client portfolio in Bonaire.

## Corporate Account Manager

As Corporate Account Manager, you will be responsible for acquiring, managing and developing corporate relationships while ensuring sound credit decisions and long-term, risk-adjusted returns for the bank.

### **Key Responsibilities:**

- Build and maintain strong relationships with corporate clients
- Analyze credit requests and prepare credit proposals
- Structure and present executive summaries for credit committees
- Manage and optimize the corporate credit portfolio
- Identify commercial opportunities
- Collaborate closely with Senior Management, Credit Administration and Compliance to ensure adherence to our internal commercial and regulatory guidelines
- Monitor portfolio performance and ensure regulatory compliance

### **Your Profile:**

- Completed HBO degree (or equivalent)
- Relevant experience in corporate banking or commercial finance
- Strong financial analysis and proposal-writing skills
- Excellent communication skills
- Fluent in English and Dutch (Papiamentu is an asset)
- High level of integrity, ownership, and professionalism
- Team player with a proactive, results-driven mindset

### **What We Offer:**

- A challenging role within a well-established financial organization
- Professional growth within Corporate Banking
- Dynamic and collaborative work environment
- Competitive employment conditions
- Opportunity to work and grow
